Captain Colter Stevens died in a helicopter crash and has been inserted in a computer program Source Code which transfers him to the body of a deceased person for the last eight minutes of his life. Realization, in the sense discussed above, comes partially from connecting to the stories that others tell. There is different structure to each book. Thanks for the great advice! I write. Let us further ignore the fact that non-fiction memoirs do not even sit on the same shelf as creative fiction, not unless the book had been misfiled, or the bookstore is the size of an average guest bathroom. I wrote the first page back then then stopped. Sign me up right now! They can seem haughty, prideful, and arrogant.
