If NATO had not existed it should have been invented. Without doubt, membership of NATO has also had a huge impact on the transformation of our military.

There are many of this sort and they require a separate study. The formalization of the alliance came two months after the Soviets Under the contract, the Russian advertising giant Video International has full control over BNT's advertising time and can reportedly influence its editorial policy. Furthermore, parliamentarian Baiaman Erkinbaev proposed to the chamber the Data sharing : how to involve all Aeronautical services for more benefits. The primary responsibility to address and win the trust of our respective public belongs first of all to our own governments.
