Gradually Dowell unfolds a devastating story, in which everyone's honesty is in doubt. The depth of this last scene is best understood in contrast to the shallowness of the narrative in the previous two hundred and seventy pages. Soon all of Europe was involved.

Foronething, it would have to be significant in any story to have the death of
The question of his death is one of "when," not "if. He experienced an astonishing period of creative energy that lasted through several months, until he returned to France and the heavy fighting in the fall of
The characters who are going to die have died, and the futures of those who are
years Florence sent him money.
