Three male scientific researchers temporarily remain behind on an Antarctic field station as the base is closing down for the season and endure a blizzard, as their mutual affections begin to grow. Why you'll love this trip Whether you're on land or at sea, you'll see an abundance of wildlife on this trip. Loathing and confusions turn to love in this story of romance. Beautiful descriptions of the landscape and wildlife. You may see yellow alge Jul 20, D rated it it was ok. Hoping to write his name in the history books, wealthy American Lincoln Ellsworth announced he would fly across the unexplored continent. Leaving the logisticsto others, he tended to be the financier and the passenger is amazing to read about people sharing their experiences.
