I am committed to providing you, the preschool teacher, with everything you need to develop preschool lesson plans and preschool activities for your classroom all in one place! She has written widely for a number of educational publishers notably BBC worldwide, including a range of science and mathematics DVD resources for use on Interactive Whiteboards, and worked with a major company to produce two award winning practical resources which support the Planning for Learning through All About Me of early mathematics. Go around the room and allow each student to select an owl and try and guess whom it belongs to by listening to the interests of the student!
