Mortal enemies. Lynn returns to the imaginative medieval world of Dragon's Winter--where a fearsome dragon lord struggles between ruling with might and ruling with justice. Great fun. When Merit senses magic being used in the city, the story kicks into high gear. Two gorgeous men claiming to be dragons? The second? Only her lover, Mick, is able to calm the storm within her -- even as their passion reaches unimaginable heights of ecstasy. But I'm still officially Drake's mate--and my presence is required at a meeting bent on total extinction, an all-consuming thirst for revenge coursing through his veins. Because dragon shifters are a dying breed, King Blaze reinvokes the old tradition of The Hunt.
