Cruise ship safety at sea was suddenly hot stuff in the USA March ! Later the ship with the drugs was towed out to sea and sank again April ! If and when the re-cycling can be terminated is not certain.

Imaginet hat! Some hull compartments were upflooded causing a Blackout buttt  
Look at the Master representing the ship owner having fun with the passengers. He probably finally realized that the ship was not seaworthy at departure. And publish the result as a scoop. Whathappenedbetweenthecontactandthecapsize?The ship was simply not seaworthy at any time. But media will not write about it.
