The aristocracy and gentry gained from prosperous farming in the s-s, and lost by the agricultural depression; but it recovered some of its losses by skilful investment in urban land, and by the windfall of urban expansion, when what had been agricultural lands of declining value made their owners wealthy as suburbs were built upon. See Very Short Introduction No. It would attain this end gradually through legislation and not by revolution hence the name Fabian, after the Roman general whose tactics the society emulated. Nineteenth-Century Britain Fortunately, Cecil Sharp, Marjorie Kennedy-F Your order is now being processed and we have sent a confirmation email to you at. This programme was embodied in the Tariff Reform campaign launched by Joseph Chamberlain in while still colonial secretary, much to the embarrassment of the prime minister, Arthur Balfour, who had succeeded his uncle, Lord Salisbury, the previous year. Some have argued that administrative reform took on a dynamic of its own, independent of both parliamentary action and ideology. My Grandparents had a small farm just outside of Stratford where my Grandmaal

completely skipped the rise of Fantasy and such how can it completely ignore the presence of Tolkien and Lewis? A common feature of this housing was that it was almost all leased or rented – owner-occupiers were rare, though becoming more common by the end of the century.
