Haley Donovan, a nursing student at a nearby hospital, is in her car driving behind the van when the accident occurs. Rosalind Lauer brings to life the people of Halfway and draws one into their lives. I totally enjoyed this read and will so start the second book.

Loved that it was a little out of the ordinary of your average Amish Fiction story with more involvement from "Englishers", and a nice little dual romance story line going on. I enjoyed this delightful and inspiring Christian fiction book.
