In the dispute between Reid and Hume with respect to the operations of the mind one of the fundamental points of difference is. The 'common-sense' school, against which Ferrier's attacks were mainly directed, too often found its satisfaction in commonplace statements of obvious facts, and we cannot wonder that Ferrier should ask why Scottish students should be required to pay for 'bottled air' while the whole atmosphere is 'floating with liquid balm that could be had for nothing? Adam Ferguson by Eugene Heath.

JohnHibben.ImprintAcademic From an examination of the laws of knowledge and by applying the deductive method he determines that the absolute in cognition knowledge or ignorance is an indivisible subject-object synthesis and it follows from this that absolute existence must involve some self in union thoughts and things. Scottish Idealists Selected Philosophical Writings David Boucher This collection of readings, the first of its kind, has been chosen with a view to displaying the variety, richness and strength of the Scottish Idealist tradition.
