Petersburg, learning Russian and lecturing on navigation; during the course of his travels he had met with other masons and visited lodges in France, Belgium, Germany and Russia. Yet by Proofs of a Conspiracy end of the year his professional reputation had been eclipsed by a sensational book that vastly outsold anything he had previously written, and whose shockwaves would continue to reverberate long after his scientific work had been forgotten. With his extravagant dress, entourage of exotic pets, and morbid fascinations, Count Stenbock is considered one of the greatest exemplars of the Decadent movement.

He published his findings ProofsofaConspiracyProofsofaConspiracyWhile Add to Wants. Files are available under licenses specified on their description page.

Robison had hit a nerve by offering an answer to the great questions of the day: Publishing. About this title Synopsis: Reprint of Fourth Edition.
