I don't remember much except she had a party and the teacher made a "cake" with tuna in the middle of a loaf of bread and frosted it with cream cheese. I'm so desperate to get my hands on this book again because I was so young when I read it. It was about a moon that would sneak into the sky during the day. When he writes she says fine she will dress and follow. I am looking for a book, I only have a few pieces of the book. I can't remember the name of the 1st book but I remember that if the wolf gets touched by sun or transforms during the day he stays that way forever.

See All Customer Reviews. All the animals and boy get inside the hole. It's the best book I've ever read, so I can't believe I don't remember the author or even the title. They grab her and she tells them she doesn't like to be touched.
