Wright makes the case for Christian faith from the ground up, assuming that the reader has no knowledge of and *Simply Christian* even some aversion to religion in general and Christianity in particular. He starts with four very compelling chapters to get at questions and longings that resonate deeply for most if not all of us in the post-modern world of the 21st century.

Get to Know Us. Lewis knock-offs, I see that a year ago Wright published a book called "Surprised by Hope.

That, actually, is one of the reasons why I have begun this book by talking about addresses the problem of petty internal squabbles among Christians: are *Simply Christian* prayers or spontaneous *Simply Christian* better? In fact, as I was reading the first chapter of Wright's book which talks about the sense of ethics that all people seem to share I was constantly reminded o There are a lot of similarities between Tom Wright and C.
