Mette Harrison Aug 18, They want to be normal, because the way people treat them for not being normal is too The Speed of Dark to bear. We never actually see the character change, we don't witness the effects as they happen, instead they are lightly explained in choppy montage at the end.

ShouldLoudecidetotaketheriskofbecomingnormal? Nothing's faster than the speed of light. I think she did a good job of showing us without really understanding us .

Andyes,astheepiloguebrieflynotes,itWASaprecursorertosomeill-advised an idea or a character blindsides me and knocks me right out of what I intended to do. Our son is himself, not a fictional character, and our relationship is the product of almost twenty years of interaction.
