In short, we wish to focus on how people shape their lives and in turn how people shape the lives of others. Nineteenth-Century Archival Works In the years after the restoration of the Society of Jesus, the discipline of historiography turned to archival evidence. Spanish family agriculture was treated to rhetorical and ideological eulogization while suffering virtually total material neglect. One telling illustration of what I see as a return to openly Spanish national identity are imitations, copies, or mockeries.
