Very wonderful and peaceful, and I can't think of a feeling that made me feel as nice as. Birth Story 9. He said 'Yeah', so I asked him what it was like.

I would not believe it myself but I have a lot of memories of a house we lived in

When it comes to purported pre-birth memories, could it be they are Mommy's First Memories Of You! imagined circumstances that fit the current needs of those who report them, as Mark L. What's interesting is that the brain structure for emotional memory, the amygdala, is mature in infancy - the outcome of these two facts being that an emotionally significant event during infancy may affect the way a child behaves later in life despite them not being able to remember the actual event. I feel that I'm enlightened and lucky to be able to remember something so early on, even though it's hard for some to believe it.

How very young I was, I couldn't even roll. Would love to hear if others have the wishes, KB.
