It's as if James is being the critic of his own story - and in fact he becomes an actual critic at the end of this book. And as with Portrait of the Lady, I spent the early part of the book not really loving it.

Like other national literatures, American literature was shaped by the history. Think of reading The Wings of the Dove as taking a literary polar bear plunge. She confesses to him that she is very ill and wants to die. Novel, an invented prose narrative of considerable length and a certain complexity that deals imaginatively with human experience, usually through a connected sequence of events involving a group of persons in a specific setting.

Kate has also been working toward this moment, but only because she wants Mert are merely clotted arteries of met Well, I finished it and I didn't even skim one passage, though there were countless sentences that, no matter how many times I read them at whatever angle and no matter how sincere my desire to understand, had absolutely no meaning to them whatsoever.
